Firearms Permit Info

Please Note:

The Firearms Permit information below pertains only to non-resident aliens bringing firearms into the US.

If needed, we can provide a firearm for you. Please contact us to make arrangements.

Firearms Permit Requirements can change at any time, so please feel free to check with us at any time if you have questions or need help.

After September 11, 2011, a number of changes and regulations have been put into place relating to firearms and ammunition. If you are not a citizen of the United States you will be required to obtain an import permit before you can enter the U. S. with your rifle and ammunition. You may obtain information at the internet site of the U. S. Bureau of Alcohol, Tobacco, and Firearms and download the ATF Form 6NIA from the internet at www.atf.treas.gov (When the site comes up, click on the "Forms" link on the left hand side of the page in the blue area. Next, click on "5300 Firearms and Ammunitions Program" in the center of the page. Next, scroll down and click on "ATF F - 5330.3D (Form 6NIA)"). Download Form 6NIA and follow the directions below for completing and submitting the form.

You must purchase a current Alaska Hunting License and enclose a copy of the license when you submit Form 6NIA. Hunting licenses are available through our office. Allow 2 months plus mailing time to complete this process. Once approved the permit is valid for one year from the date of approval. You are required to have all of your documentation with you when you enter the United States. You will also be required to export your rifle and remaining ammunition when you depart the United States.

To view and print form you will need Acrobat Reader[®] software. You can download Acrobat Reader[®] software here for free
